

information collection requires them to submit a copy of quarterly financial statements and performance of work reports to help SBA monitor compliance with performance of work requirements.

Both Forms 2459 and 2460 have been changed to collect additional information. Changes to Form 2459 include questions about other mentor protégé agreements and information that might lead to a finding of affiliation between the mentor and protégé, and changes to Form 2460 include additional clarifying questions about joint ventures, contract offers, awards and performance, as well as information about subcontract awards and the protégé's revenue and/or staff growth.

Solicitation of Public Comments

Comments may be submitted on (a) whether the collection of information is necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.

OMB Control 3245–0393

SUPPLEMENTARY INFORMATION: The U.S. Small Business Administration's (SBA) statutory mission is to “aid, counsel, assist and protect, insofar as is possible, the interests of small business concerns.” The Agency's Office of Entrepreneurial Development (OED) helps to carry out this mission by providing training and counseling programs and initiatives, such as the Regional Innovation Clusters (RIC) initiative, to existing and prospective small businesses.

Through the RIC initiative, the SBA is investing in regional clusters—geographic concentrations of interconnected companies, specialized suppliers, academic institutions, service providers, and associated organizations with a specific industry focus—throughout the United States that span a variety of industries, ranging from energy and manufacturing to advanced defense technologies.

The RIC Initiative capitalizes on the theory of regional cluster development
